

COMPOSTABLE BAGS, LINERS AND WASTE BINS

MAKE COMPOSTING
SECOND NATURE

WHO ARE WE?

EcoSafe Zero Waste Inc. is a privately owned company based in Vancouver, British Columbia, committed to making composting second nature.

Since 1999, EcoSafe has been manufacturing certified compostable film products and offering complimentary programs designed with one purpose: to keep organic waste out of landfills.

From residential to institutional and commercial settings, we provide hands-on training, tools, and personalized support to make organics collection simple, effective, and scalable.

OUR MISSION

Our mission is to drive organic waste separation by providing certified compostable film products and education to every individual and company that consumes, sells, or processes food.

**WE MAKE COMPOSTING
SECOND NATURE.**
