# ECOSAFE KITCHEN BIN

## Designed for Modern Organics Collection

Widely selected by municipalities and trusted by households, the EcoSafe® Kitchen Bin delivers clean, convenient food scrap collection and is engineered to pair perfectly with certified compostable bags.

## Key Features

- ✓ **Perfect Fit, Every Time:** Pairs seamlessly with EcoSafe certified compostable bags for a clean, secure fit.
- ✓ **Customizable Front Panel:** Add labels, logos, or municipal decals to support program branding and clear communication.
- ✓ **Snaplock Lid + Easy-Carry Handle:** Controls odours, prevents spills, and enables hands-free transport in one simple, reliable design.
- ✓ **Dishwasher Safe:** Quick to disassemble, easy to clean, and built for long term use.

## Sustainability Highlights

- ♻️ **Made from 60% Recycled HDPE:** High-performance blend that reduces virgin plastic use while staying durable.
- ♻️ **Designed for Circularity:** HDPE is one of North America's most recyclable plastics, supporting high recovery and reuse.
- ♻️ **Reduces Contamination:** Pairs with certified compostable bags to keep food scraps contained and streams clean.
